

Recruiting Announcement

Announcement No.: SWR- 2003 -07

Opening Date: March 7, 2003

Closing Date: April 11, 2003

U.S. DEPARTMENT OF ENERGY SOUTHWESTERN POWER ADMINISTRATION

POSITION: EQUIPMENT OPERATOR, WB-4741, \$17.19 PER HOUR

ORGANIZATION LOCATION: Southwestern Power Administration,
Office of Maintenance
Division of Springfield Transmission Maintenance

DUTY LOCATION: Springfield, MO

PROMOTION POTENTIAL: None

TYPE OF APPOINTMENT: Term:
AMENDED TO EXTEND THE CLOSING DATE, REMOVE THE HAZMAT ENDORSEMENT FROM
THE COMMERCIAL DRIVERS LICENSE (CDL) AND CHANGE TYPE OF APPOINTMENT.

This appointment is for a limited period of time, lasting for more than one year but not to exceed four years. Permanent competitive career or career conditional appointment cannot be gained through this appointment. Selectee will serve a one-year trial period.

AREA OF CONSIDERATION: All U.S. citizens may apply. No previous Federal employment is required. All applicants will receive consideration for appointment without regard to race, religion, color, national origin, sex, political affiliation, age, or any other non-merit factor.

PLACEMENT ASSISTANCE PROGRAMS: Individuals entitled to priority consideration under the Interagency Career Transition Assistance Program (ICTAP) and/or Department of Energy's Career Transition Assistance Program (CTAP) MUST submit the documentation listed below with their application package:

- A. RIF separation notice: A letter from OPM or your agency documenting your priority consideration status;
- B. Current (last) performance appraisal rating of record (must be successful or equivalent);
- C. Narrative statement (GS positions), or Supplemental Qualifications Statement (WB positions), addressing the knowledge, skills, and abilities factors listed under Qualification Requirements in this announcement; and
- D. Documentation showing the promotion potential of the position from which you may be or have been separated. (Applicants are eligible for consideration only for vacancies which have no higher promotion potential.)

Eligible employees must be determined to be well qualified for this position. Well qualified means an eligible employee possesses the knowledge, skills, and abilities which clearly exceed the minimum qualification requirements for the position.

NOTE: Relocation expenses are not authorized.

REASONABLE ACCOMMODATIONS: This agency provides reasonable accommodation to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify this agency. The decision on granting reasonable accommodation will be on a case-by-case basis.

VETERANS PREFERENCE: A 5-point preference is granted to veterans who entered military service prior to October 14, 1976, or who served in a military action for which they received a Campaign Badge or Expeditionary Medal, or who served on active duty during the Gulf War from August 1990 thru January 2, 1992 and who served continuously for a minimum of 24 months or for the full period for which called or ordered to active duty (submit DD-214). 10-point veteran's preference is available to a disabled veteran or Purple Heart recipient or the widow, widower, or mother of a deceased veteran. You must submit a SF-15 and documented proof of your claim and DD-214. Further information is available in the **VetGuide** located on the U.S. Office of Personnel Management web site at www.opm.gov.

DUTIES/RESPONSIBILITIES: Operates and maintains large farm-type tractor equipped with brush-cutting attachment, side clearing equipment, and herbicide spray equipment in the clearing/cutting of heavy brush along transmission line rights-of-way. In areas not accessible by large equipment, re-clearing will be accomplished by hand utilizing brush saws and chain saws. Herbicide spraying may be accomplished by hand using a backpack weighing approximately 50 pounds. May cut brush/weeds in substation and pole yard sites. Operates large tractor or bulldozer equipment used in excavation, leveling, road building, hoisting, towing, and hauling work. Operates pneumatic tools for drilling rock and excavating pole and anchor holes for transmission line maintenance projects. Performs periodic inspection and preventative maintenance on equipment and vehicles used. Performs manual labor of loading, unloading, or carrying materials, supplies, or equipment.

PHYSICAL DEMANDS: Requires physical exertions, such as long periods of standing; walking over rough, uneven, or rocky surfaces; recurrent bending, crouching, stooping, stretching, reaching, or similar activities; and recurrent lifting of moderately heavy items and working with heavy specialized industrial equipment. The work may require specific, but common, physical characteristics and abilities such as above-average agility and dexterity.

WORK ENVIRONMENT: The work environment involves high risks with exposure to potentially dangerous situations or unusual environmental stress, such as working with high-voltage electrical equipment (.0001 volts to 161,000 volts) in remote, outdoor field locations with rough terrain and exposure to various weather conditions, wind, dust, brush, insects and occasionally poisonous snakes; and emergency situations at all hours of the day and any day. The employee must apply a wide range of safety and other precautions. Incumbents encounter general public who may object to aspects of the projects. Travels and lodges at remote locations frequently. The current work schedule is four 10-hour days weekly, Monday thru Thursday. Although not on standby status, the incumbent is subject to call at any time to perform emergency work and is encouraged to establish permanent residence within a one-hour commuting distance of the duty station.

CONDITIONS OF EMPLOYMENT: Applicant must be a licensed motor vehicle operator at the time of appointment. The incumbent of this position must possess and maintain a Class A commercial driver's license (CDL).

Upon tentative selection, applicant will be required to complete a physical examination. Unsatisfactory results from the physical will result in non-appointment. Before an offer of employment becomes final, drug/alcohol testing will be required. A determination of the use of illegal drugs may lead to non-appointment. The incumbent will be subject to future random, unannounced drug testing.

Selection for this position is contingent upon proof of U.S. Citizenship. A background investigation will be required. Male applicants born after December 31, 1959, must certify that they have registered with the Selective Service System, or are exempt from having to do so under the Selective Service Law.

Before appointment, selectee will be required to certify that all information contained on or attached to their application is complete, true, accurate, and made in good faith. It will be made with the understanding that the information may be investigated, and false or fraudulent information on your application may be grounds for not hiring you or firing you after you being work.

QUALIFICATION REQUIREMENTS: Applicants must be found qualified to do the work of an Equipment Operator.

In their application material they must indicate that they possess sufficient knowledge, skills, and abilities to satisfactorily perform the duties of the position without more than normal supervision. The ability to do the work of an Equipment Operator without more than normal supervision will be used as a screen-out element, and any applicant not indicating an adequate level of this ability will be eliminated from further consideration.
